The DXAC is investigating the advisability, feasibility and desirability of creating or modifying one or more digital mode awards in the DXCC program to accommodate encourage and reward new modes of amateur radio activity on the bands.

How do you feel? Should we:

a) Create endorsement stickers for the existing Digital DXCC (i.e. RTTY-100; PSK31-100, JT65-100, FT8-100, etc with incremental stickers 125, 150, 200 and so on)

b) Create a separate DXCC award for each mode

c) Do nothing at all and leave new digital modes under the existing Digital DXCC.

Are there other options? Your opinion is important so let Stan know at [ac8w@arrl.net](mailto:ac8w@arrl.net). Deadline for responses is Wednesday 14 November."
